

But you can insure your place in Heaven right now. How? By asking Jesus Christ to be your Savior. Tell Him that you're a sinner and need to be forgiven. Tell Him you believe He died and rose again for you - to pay the ransom - to rescue you from death and hell. Then ask Him to forgive you, wash you clean and come live in your heart with His Holy Spirit. You won't go to Heaven the second you do this, but when your life on earth is over you will be with your Heavenly Father who loves you. Let me ask you a question. If you were to die tonight are you certain you'd go to Heaven. If you stood at the door of Heaven and God asked you why He should let you in - what would you say? "I've been a good person"?? (Yet, He left you here.) Read these verses off the Scripture list attached and find the great news. ROMANS 5:8, ROMANS 6:23, JOHN 1:12, ROM.10:9, REVELATION 3:20 says "He will" not ~~He might~~. 1 JOHN 5:13 (KNOW YOU HAVE ETERNAL LIFE) Now pray - as in the paragraph above.

The disappearances are only the beginning of the Tribulation. To see what is still to come, and get rid of any doubts you may still have about the truth of what I've said, read the verses on the Scripture List enclosed. During the 7 year Tribulation there will be a series of worldwide disasters that will leave only 25% of the world's original population alive.

If you want more information on this then avoid the churches where few or none are missing because while they may have taught that Jesus was a great teacher to be followed - they didn't ever truly ask Jesus, the Messiah, the Way, the Truth, and the Life into their hearts to be their SAVIOR, MASTER & LORD.

Find a church where 90+% of the people disappeared and gather there with others who were left behind. Study the word of God together. Listen to the old pastor's tapes. Take courage in JESUS ONLY. The coming Leader and one world religion are not of God and will only bring an illusion of peace. Never take the mark on hands or forehead for buying and selling of goods and so on. Remember that the world will not survive this - your only hope is Heaven. The Lord our God can bring you there if you accept his plan of salvation in His Son.

There should be a Bible somewhere in the house for you. Read the pages listed and the Book of JOHN. Be strong - Jesus loves you and wants you to make it to Heaven. If you're still doubtful - ask yourself how we knew to leave this letter for you.

LOVE, IN JESUS
